

2006 Recognition Listing

ST. MICHAEL'S
HOSPITAL
FOUNDATION

Our donors are making a difference in the lives of people every day, and we thank them for their commitment to St. Michael's Hospital. Their gifts help build new patient care facilities and purchase new equipment for our health care teams. Their generosity also leads to new opportunities for tomorrow's health professionals, and funds research that saves lives around the world.

Donors to St. Michael's are also helping us build the Keenan Research Centre and the Li Ka Shing International Centre in health Care Education that together make up the Li Ka Shing Knowledge Institute of St. Michael's Hospital. This innovative facility will help Health care practitioners save more lives globally...starting today.

This is the first time we are listing the names of our donors online. Please let us know what you think by contacting us at foundation@smh.toronto.on.ca.

If your name appears on this list, thank you for making a difference at St. Michael's Hospital.

Sincerely,

L. ALAYNE METRICK, FAHP
President
St. Michael's Hospital Foundation

We received donations of \$250 or more from the following donors
between January 1, 2006 and December 31, 2006.
